SYSTEM ARCHITECTURE (MODBUS - RTU)

SYSTEM ARCHITECTURE (MODBUS - TCP)

SPECIFICATIONS

- **Communication :** Modbus-RTU/Modbus TCP (Either)
- Communication Cables & Hardware are as per Communication Selection (Excluded)
- **Optional Feature :** Cloud View for Data
- **Operating System :** Linux / Windows 10 or Higher Versions
- **System Requirement :** 4 GB or More RAM
- Manual Data Export (.csv Format)
- Auto Data Export Day Wise/Shift Wise (As per Demand) (.csv Format)
- Data Backup up to 6 to 9 Months
- Alarm Message Generation as per Requirement
- Individual & Group Report Generation as per Application demands
